The following chart defines the overall knowledge of the IU Trainers and Facilitators related to Professional Development based off participant responses in the assessment survey.

The following are the Future Professional Development suggestions that the IU currently does not offer that the respondents entered in the survey.

Not sure of these topics.
Vaping cessation for repeat offenders
Inquiry based science lab activities.
organization! Something that hear my co-workers talk about often is space management. We don't have doors or walls, so we move things around endlessly to make our classrooms work.
None that I can think of.
anything for school librarians.
I cannot think of any at this time

The following are the Other Curriculum Services that respondents would like to see.

More inquiry based lab ideas for high school science courses.

The following are the Behavioral Services that the respondents suggested in the survey.

High School Emotional Support
In school suspension; regular social groups or reflective practice
We need more staff of all kinds, but especially guidance counselors at our middle school

## The following are the Behavioral Supports that the respondents suggested in the survey.

Alternative Education settings are in need that provide actual instruction, rather than relying on on-line/virtual instruction.
Addiction counselors for students who vape.
There should be more support for the students that are suffering from severe mental instabilities.
I can't think of any at this time

## The following are the Expanded Supports that the respondents suggested in the survey.

Vaping cessation for repeat offenders
More science activities for staff members to collaborate on ideas and activities that work best for students.
Parent help/communication-its slow or non-existent. Phone numbers don't work, parents don't have cars, or can't get medical care due to many reasons. I just think our parents need help. I would like to know where to get information/resources to help them.
I would like to see more support for the arts.
We are truly blessed to have Michelle McKinley and Sam Taylor come and work with us and our staff throughout the school year!!!
Behavioral services
Behavior supports, Middle school philosophy (helping students take pride in their school)
